

BETTANY DOWN JACKET

DESTROYER OUTDOOR JACKET

DESTROYER OUTDOOR JACKET

A fully functional outdoor jacket with casual styling. The cotton mix shell lends a soft touch to the 10,000mm waterproof fabric. 5,000mvp breathability and taped seams complete the weather proofing.

The cotton feel continues inside with a check patterned lining and details include large front pockets and antiqued brass fastenings with 'leather look' pullers.
