Customers may vary in size preferences depending on the style and size otherwise, but will still fit the body size indicated.

Ask to Size: S/M / Neck Size: 35/35

TECH GUIDE

Look out for the following features, which elevate DLX above the norm. We are always pushing for optimum functionality with features that take us to extreme outdoor environments.

DLX MEMBRANE
The DLX MEMBRANE allows the body's water vapor to pass freely. It's moisture condensation inside while preventing rain and snow from penetrating. The membrane is protected by a durable outer shell and seams are taped to further improve wet weather protection.

DLX STRETCH
Quiksilver stretch fabric is ideal for active, highly mobile pursuits. Waterproof, windproof & tear-resistant, this performance fabric is used to produce a range of hard-wearing garments. Supple and durable, functional coverage and wicking features help repel water and wicks with your loving system to draw moisture away from your body.

DLX SKIN
Well-performing fabric that effectively draws moisture away from the skin. This moisture quickly evaporates when brought to the surface of the fabric, leaving you dry and comfortable.

DLX ATHLETIC
A certified range designed for the crossover athletes, this capsule collection provides gear that you need to get your game, indoors or outdoors. It gives you comfort and performance when providing the pavement, track or gym.

QUICKDRY
Quick Dry fabric facilitates the transport of moisture away from the body. The quick drying action of the material also means the chilling effects caused by damp clothing is noticeably reduced. As a result you can spend more of your day in comfort.

antibacterial
The antibacterial treatment prevents bacterial growth, maintaining the natural balance of the skin which reduces unpleasant odors. Offering the wearer natural freshness for longer.

ADVENTURE

When on any adventure, it's important you can manage a sticky situation. Whether it's you climbing or the temperature, you should be able to remain calm and comfortable at all times.

DLX® adventure clothing is lightweight and quick drying. Antibacterial treatments help you stay fresher for longer. All of these attributes make them the ideal for exploration and travel.
